Re: Application by SBC Communications Inc., for Authorization to Provide In-Region
InterLATA Services in the States of Illinois, Indiana, Ohio and Wisconsin
WC Docket No. 03-167

Dear Ms. Dortch:

Yesterday Dina Mack, Walt Willard and undersigned, all of AT&T, had a telephone conversation with Pam Arluk and Cathy Carpino of the Wireline Competition Bureau to discuss SBC's policies that deny AT&T the ability to establish a disaster recovery plan for the production servers that support AT&T's local consumer services in the Ameritech region. Written responses to questions raised by staff during this discussion will be provided under separate cover.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in cursive script that reads "Amy L. Alvarez".
